Convocation Protocol

Family and friends are requested to rise when the graduands' procession enters. The assembly is requested to remain standing until the conclusion of the singing of O Canada.

Convocation will conclude with the recession of the platform party, floor party and graduates, during which everyone is requested to remain standing.

Artona Photographers will be taking photographs of each student as they cross the stage and proofs will be mailed to each student following the ceremony. So as not to disrupt the program, or the view of other guests, we ask that you please remain seated for the duration of the ceremony.

Convocation Reception

We invite all graduates and their guests to enjoy refreshments immediately following the ceremony in Convocation Hall, located in the atrium of the Surrey Main building.

MESSAGE FROM
The Chancellor

Education is such a critical part of what makes communities better. Through education, we gain perspective, understanding and a foundation for individual and collective success. Today, we celebrate your successes, and recognize how far you have come both personally and professionally.

This is your day, and now is your time. At KPU, you have had the opportunity to be a part of something great. The university is bigger, better and bolder than ever, and this is just the beginning. Like yours, our future is exciting. We are Canada's only polytechnic university, and our graduates are local and global leaders.

The impact KPU has on the community is massive, and your role in that will continue as you set out to achieve new goals. Our alumni have the power to affect change, and they positively impact all of our communities – including ours, right here, at KPU. Your success is the university's success.

It is an honour to have assumed the role of chancellor, and I am especially proud to be doing so as a KPU alumnus. Kwantlen Polytechnic University is my university, and it will forever be yours as you continue your journey to success.

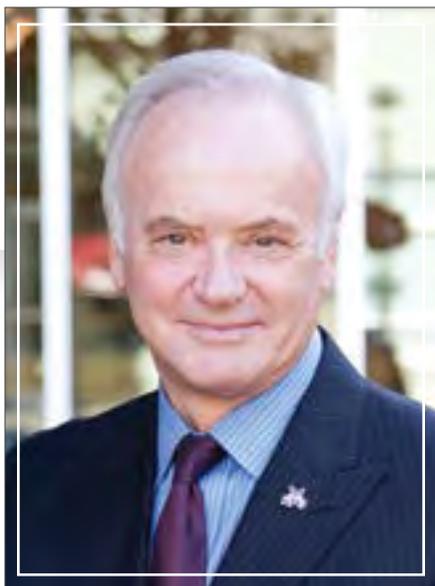

To our bigger, better, bolder futures.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Melville". The signature is fluid and cursive, written over a light grey shadowed area that mimics the shape of the signature.

Dr. George Melville
Chancellor

MESSAGE FROM

The President and Vice-Chancellor

On behalf of the entire KPU community, I welcome one and all to this happy day of celebration where we honour our Spring 2016 graduates.

This is a crucial time in KPU's history as it emerges from the early and sometimes difficult years as a special purpose, regional, teaching university with a unique mandate in the Canadian post-secondary system. KPU is now the largest university of its kind in Western Canada, and the fifth largest post-secondary institution in B.C.

Our VISION 2018 and its nine goals direct us to make KPU a better place to study and to work; to grow along with community in terms of student numbers, community engagement and relevance to our region's needs; and to tell our story more boldly and in ways that support our alumni as they make their way into the world of work and citizenship.

It is my sincere honour to serve as KPU's second president, and I look forward to working with my wonderful colleagues, our Board of Governors and chancellor, our friends in local, provincial and federal governments, our sister institutions, and so many community partners to achieve this vision together.

A handwritten signature in black ink that reads "Alan Davis". The signature is written in a cursive, slightly stylized font.

Dr. Alan Davis
President and Vice-Chancellor

KPU's Story

Kwantlen Polytechnic University is an innovative, transformative and ambitious institution serving the needs of Metro Vancouver, British Columbia, and beyond. KPU strives at all times to inspire students to excel in their careers, lead in their communities, and succeed in their lives. With campuses in Richmond, Surrey, Cloverdale and Langley, (and ties to Maple Ridge and a new expansion into Surrey City Centre, Civic Plaza) KPU has opened the doors to success for more than 200,000 graduates over its 35 year history.

Established in 1981 by the Province of British Columbia, KPU is located in the shared traditional territories of the Kwantlen, Katzie, Semiahmoo, and Tsawwassen First Nations. The University is the largest post-secondary institution south of the Fraser, and caters to a diverse population.

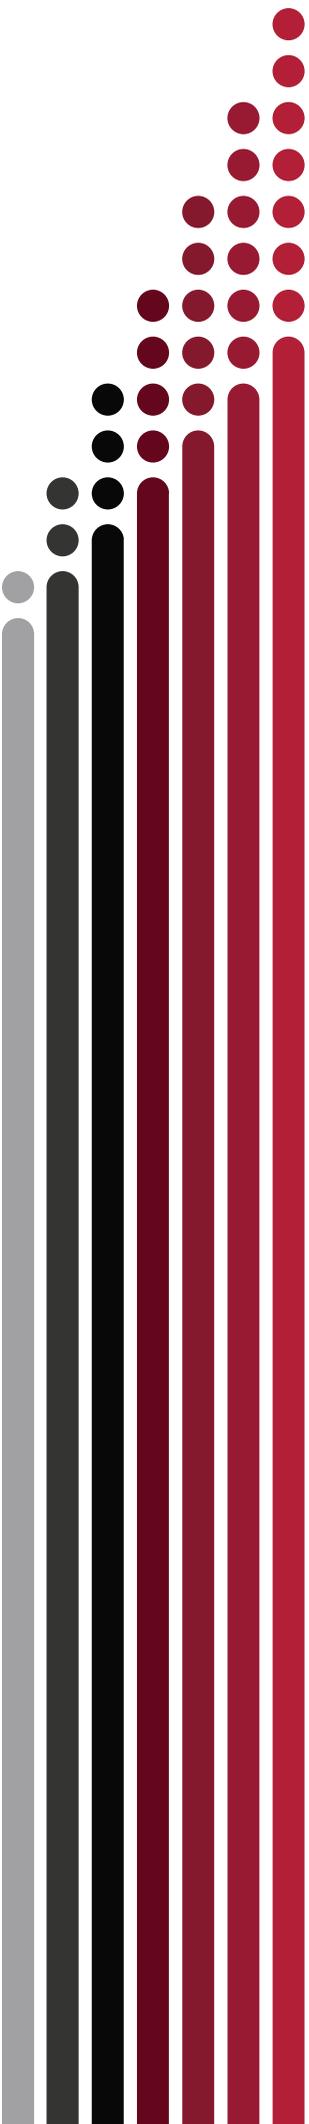

The name Kwantlen comes from the Kwantlen First Nation, whose people are acknowledged historically as "tireless runners". The name has proven to be fitting as KPU runs tirelessly to expand its capacity to serve the citizens of Metro Vancouver, the province, the nation, and the world.

KPU is a teaching university where individuals can earn degrees, diplomas, certificates, citations, complete apprenticeships, upgrading credentials, or explore professional education and training options, all of which reflect and express our unique polytechnic mandate.

KPU's innovative style of education involves work-integrated and service learning, practical connections to industry and small class sizes where supportive learning environments and enhanced teacher-student relationships are valued. The University's commitment to applied research and innovation with external partners enhances the quality of teaching, and contributes significantly to the economic development of the region.

As a university that allows for multiple interpretations of excellence, students define and design the path to success that's right for them. Their key to success is a KPU experience that transforms students into graduates who lead in their communities.

Ceremony and Graduation Roll

Tuesday, May 31, 2016
10:00 am Ceremony

FACULTY OF ARTS | Dr. Diane Purvey, Dean

Processional

Marshall of Convocation

Zena Mitchell, *University Registrar*

Greetings from the Kwantlen First Nation

O Canada

Julia Johnstone, *KPU Music Program*

KPU

KPU

In Appreciation

KPU

Honorary Doctor of Laws (Honoris Causa)

Kanwal Neel

Both as a teacher for 30 years in the Richmond School District and as a teacher of future educators at Simon Fraser University, Kanwal Singh Neel's passion and dedication to his students, his hard work, and his love of his discipline has brought him accolades and, more importantly, the joy of watching generations of learners embrace and enjoy mathematics.

He received his PhD in mathematics education from SFU in 2008 with a thesis that served the basis for the development of mathematics resources for First Nations communities.

He made the transition from the K–12 school system to the preparation of new teachers when he joined the SFU Faculty of Education in 1989 first as a faculty associate, and eventually became the associate director of professional programs.

Beyond his work as a mathematician and an educator, Dr. Neel is also an advocate of an active lifestyle. He has volunteered as a technical official in track and field for over 45 years in both local and international meets, and received the Olympic Celebration Award in 1988. He has been a leader in the Punjabi community and co-ordinated the 75th anniversary of the Komagata Maru Incident.

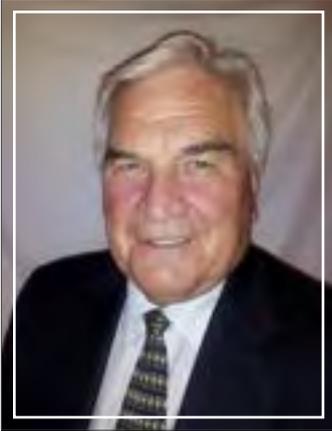

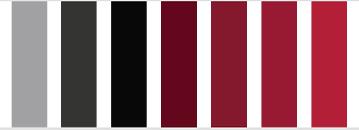

In 1993 he was awarded the Governor General's Commemorative Medallion and in 1996 he received the Prime Minister's National Award for Teaching Excellence. In 2012 he received the Queen's Diamond Jubilee Medal.

Dr. Neel has been an inspiration and a mentor to generations of students. Through this dedication both to the discipline of mathematics and his students he remains a shining example of what all teachers should aspire to be, and he has done all this with kindness, and with grace.

Honorary Doctorate Degrees are the highest form of recognition granted by KPU to recognize persons who are distinguished by their significant contributions and accomplishments and whose excellence will reflect positively upon KPU.

Honorary Doctor of Laws (Honoris Causa)

Vince Ready

Vince Ready is widely regarded as the foremost mediator and arbitrator in Canada and has overseen the arbitration of over 7,000 labour and commercial disputes in his career. He began his work in 1965 when he became the representative for the International Union of Mine, Mill, and Smelter Workers in Canada.

He worked as an organizer, staff representative, and troubleshooter for the United Steelworkers of America. Then in 1982 he started his own private mediation-arbitration practice. Mr. Ready has acted as a conciliation officer for the Federal Government-Mountain Region, and as a mediation officer for the Government of British Columbia.

Mr. Ready has had a hand in resolving some of BC's most notorious labour disputes including the BC Transit strike in 2001; the BC Ferries labour action in 2008; and the BC Federation of Teachers strike in 2014. In these and in many other cases, resolution was achieved as a result of Mr. Ready's diplomacy and skill.

Mr. Ready is a guest speaker and lecturer for conferences and training seminars across the continent. In 2011, he was inducted into the National Academy of Arbitrators in the USA, and is a recent recipient of the Bora Laskin Award and the William Kelly Award.

Mr. Ready is known for his ability to turn what appear to be unwinnable situations and seemingly endless stalemates into compromises and success stories. He is the person that the Canadian Government and Canadian businesses trust to resolve their labour disputes. His work is often described as nothing short of 'miraculous' in its outcomes, and for this reason Mr. Ready has earned his reputation as one of the most prolific and accomplished mediators/arbitrators in Canada.

His reputation is based on a unique set of skills which have been developed and honed through hard work and dedication. This tireless focus on seeking resolution is an inspiration to our graduates, no matter their fields of endeavor.

Honorary Doctorate Degrees are the highest form of recognition granted by KPU to recognize persons who are distinguished by their significant contributions and accomplishments and whose excellence will reflect positively upon KPU.

Honorary Doctor of Laws (Honoris Causa)

Brad McQuhae

Brad McQuhae studied biochemistry and microbiology at the University of Victoria in the early '80s. He put this knowledge and his love of brewing to work by becoming a master brewer not long after.

He founded Newlands Systems Inc, which at the time, was primarily a consulting operation for upcoming breweries which included providing technical advice and access to equipment.

In the early days he fostered a relationship with Accent Stainless Steel, a stainless fabrication company that he contracted to create the brewing equipment for his clients. However, Mr. McQuhae's insistence on quality in his products would see him purchase the company outright.

Mr. McQuhae has since made Newlands and Accent Stainless Steel two of the most recognizable names in brewing equipment manufacturing.

The Newlands brand, manufactured by Accent Stainless, is one of the premier brewing equipment companies in the entire world. They have worked for several well-known names like AB ImBev, Labatt, Molson Coors, as well as many up-and-coming smaller breweries in BC.

Mr. McQuhae sits on the Advisory Board for KPU's Brewing and Brewery Operations Program, and in addition to his continued commitment to high program standards in the curriculum, he has recently donated a \$250,000 custom built, state-of-the-art brewing system for the program's brewing instructional laboratory.

Today Mr. McQuhae is committed to growing the industry he loves. He has worked tirelessly to ensure that, not only does his own business succeed, but that the brewers of the future have the tools and the knowledge to build and grow in this booming industry. His dedication and philanthropy are hallmarks of a truly remarkable man. His dedication and persistence in tirelessly ensuring quality in a field about which he is passionate is an inspiration for graduates in any endeavor.

Honorary Doctorate Degrees are the highest form of recognition granted by KPU to recognize persons who are distinguished by their significant contributions and accomplishments and whose excellence will reflect positively upon KPU.

Distinguished Service Award, Faculty Division

Carol Stewart, *Faculty of Business Instructor, Accounting*

Joining the faculty in 2008, Carol Stewart has been an integral part of the accounting department at KPU for nearly a decade. Within two years she was elected into the role of accounting department chair, and was instrumental in bringing about changes that saw the department grow, thrive and engage significantly with the community.

Carol has been at the helm of many new committees and initiatives, but most famously, she was one of the minds behind what has become one of the School of Business' most popular events, "Careers in Accounting". The annual event draws over 200 members of the KPU accounting faculty, alumni, and current students who come together to connect and discuss future career possibilities with employers, fellow students, and alumni.

When Carol's run as accounting department chair ended she continued to mentor two of the subsequent chairs, and today remains a co-chair for the program.

It is her continued work and her dedication to improving and expanding the department that has cemented her legacy as one of the true pillars of the School of Business and KPU as a whole.

Distinguished Service Award, Staff Division

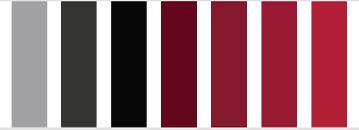

Ruth Mullane and Debbie Smith, *Library Resources Technicians*

It is rare that two people share a Distinguished Service Award, but in the case of Ruth Mullane and Debbie Smith it is hard to imagine giving it out separately. For nearly three decades this duo has been a keystone in the intricate workings of the KPU Library. Together, they share the position of library resource technician, a position that they have worked together to define. They are team players and know that no one part is bigger than the whole. But the best clue to Ruth and Debbie's teamwork is the way they work with each other. When you do the same job as someone else, it is expected that you know all aspects of the job, at the same level. As no two people are alike this can be extremely challenging.

They have superior organizational and interpersonal skills and tackle every project with enthusiasm and dedication. Their goal has been to continuously improve library systems and services with the objective of a customer focused experience.

The trusted partner relationship between Ruth and Debbie and the IT department has been essential to countless transformative projects and fosters technological change in the library. Projects range from major upgrades of the library system software to joint projects such as the KPU card and papercut implementation. Their ongoing daily support for the library team is greatly appreciated.

Distinguished Teaching Award, Full Time Faculty

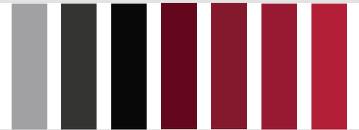

June Kaminski, Faculty of Health Instructor, Nursing

June Kaminski has been a faculty member at KPU for over 25 years. Her commitment and dedication to going above and beyond for both the nursing program at large, and to the future nurses in her classroom, is extraordinary. She was instrumental in introducing and integrating the study of informatics, a key component to the daily work of any modern nurse, into the curriculum for every course in the program.

Her integration of new technology into the classroom, her focus on teaching the very latest in professional standards and her dedication to her students are notable. From one-on-one mentorship to, seemingly, the virtual support between herself and her students, she genuinely cares about her students and how they fare in her class.

June Kaminski has written two books and many academic papers and since 2006 has been the senior editor for the Online Journal of Nursing Informatics. She has received many awards for her work in the fields of education and nursing and is considered to be a national leader in education. She has also been a champion for Aboriginal causes at KPU bringing about an introduction of Aboriginal content into many KPU nursing programs. For all of these reasons KPU is proud to grant June this distinction and to count her among its faculty.

Governor General's Silver Academic Medal

Nicole Elizabeth Boyer, Bachelor of Design, Fashion and Technology

When it comes to design Nicole Boyer maintains a focus which is often a source of awe and inspiration to her friends and family, and since 2012 when she enrolled in the Fashion, Design, and Technology Program, she has had ample opportunities to demonstrate that focus.

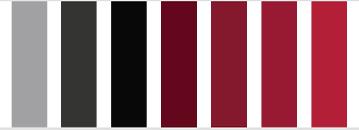

As the winner of numerous fashion, design, and KPU endowed awards, Nicole has leveraged her natural gifts and classroom taught fundamentals to become one of the most promising students to come out of the Fashion Design and Technology program. In 2014 she earned the Fabricana Imports Award, the Fred Gingell Endowed Award, the RCG Group Endowed award and the Cloverdale Paint Endowed Award.

While the program has been one of the greatest challenges of her young life, Nicole credits her friends and family for continuing to support her as she moves towards her lifelong goal of working in the design field as a pattern maker, a product developer, or even the creator of her own line.

On behalf of the Governor General of Canada, this medal is awarded to a KPU student who, in the opinion of the selection committee, has attained the highest academic standing in the graduation year of a bachelor's degree program. It is one of the highest academic honours KPU can bestow.

Governor General's Collegiate Bronze Academic Medal

Lukas Addison Hildebrandt, Diploma in Music, General Studies

Lukas Hildebrandt is a perfect example of a person who is dedicated to their craft. Lukas entered the Music Program in September of 2013 as a result of a recommendation from his drum teacher. Attracted by the caliber of the program, he would go on to spend the next three years developing his skills.

An accomplished drummer outside the classroom as well, Lukas has performed with The Seattle Cascades Drum Corps, and has won awards including the KPU Entering Music Student Award, and the Dogwood Award – Instrumental Music.

His long term goal is to continue working in the music industry, and even dreams of one day teaching the next generation of percussionists, either at the private level or by opening a non-profit youth performing arts organization for up-and-coming percussionists.

On behalf of the Governor General of Canada, this medal is awarded annually to a KPU student who, in the opinion of the selection committee, has attained the highest academic standing in the graduation year of a two-year diploma program. It is one of the highest academic honours KPU can bestow.

Lieutenant Governor's Medal

Laura Elizabeth Carey, Certificate in Accounting

As a lover of gardening and a concert musician, Laura Elizabeth Carey is no stranger to the benefits of hard work and dedication. In an effort to change her career she came to KPU three years ago and entered the Accounting Program.

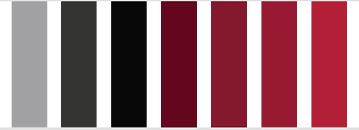

Working full time at an insurance company while finding the time to attend classes is a feat onto itself, but to then excel in those classes is truly an extraordinary achievement.

In addition to this prestigious award she is also the recipient of the Douglas Purvis Memorial Award for Essays in Economics among many others.

With a long term goal of working for the government or a public accounting firm, Laura has worked hard and sacrificed to succeed in the first step of her goal, and for that we are proud to honour her.

On behalf of the Lieutenant Governor of B.C., this medal is awarded to a graduate studying a substantial vocational or career program of fewer than two years, as well as someone who has excelled in their studies, and contributed in a positive way to KPU or the community.

George C. Wootton Award

Calvin Tiu, Bachelor of Arts, Major in English, Minor in Counselling

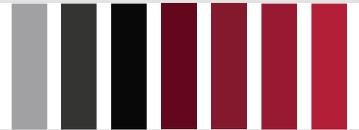

A student and a well-known personality on campus, Calvin "Kalvonix" Tiu is a graduate from the English program and has a minor in counselling.

During his time at KPU, Calvin has had numerous opportunities to be a creative force for good. For a class, he recorded and produced a rap album and an accompanying music video that used the campus as a backdrop. He was also the mind behind "Frontier Poetics", an outreach program that worked in conjunction with the existing KPU Peer Support Program to help other students and the community at large.

For all of this Calvin was awarded the Surrey Board of Trade's coveted "Top 25 Under 25 Award" in 2015. Today, he is a lover of music and film, as well as a poet and a scholar. He is a shining example of what a student at KPU can achieve with enough creativity and a desire to do good for the community.

KPU's Board of Governors established this award to recognize outstanding dedication, service and contribution to the university system. This award considers a student's contribution to the community, KPU or voluntary activities as well as academic success.

President's Outstanding Graduate Award, Bachelor's Degree Program

Nikka Bagasbas, Bachelor of Science in Nursing

Nikka Bagasbas did not see herself being a nurse when she entered the program initially in 2011. It was a practical degree that she believed might be a gateway to a different career down the line. What she learned over the next five years, however, was that nursing was exactly the right career for her.

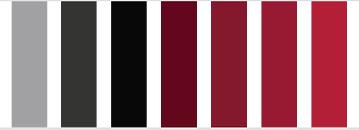

Nikka is leaving her time with the Nursing Program one of the most well decorated students in the entire graduating class. In addition to beginning her academic career with a KPU's Leaders of Tomorrow Entrance Scholarship, she would go on to hold a permanent spot on the Dean's Honour Roll throughout her time with the program, and was recently awarded the CRNBC Student Professional Award—an award that is given to upcoming nurses for their ability to exemplify professionalism in the field.

Her goal after graduation is to pursue a career in cardiac nursing, with an eye on potentially pursuing an administrative or educational role one day. Although, she admits that there is a distinct possibility that this may not be the end of her academic career, and she remains open to another degree in the future.

Presented annually, the President's Outstanding Graduate Award encourages KPU students to excel in their chosen fields of study and to participate in university, student and community activities to the benefit of others. Recipients have completed all their study in one program at KPU; have consistently shown outstanding ability in the field; have contributed in a significant way to KPU or community affairs; and may be recommended by faculty.

President's Outstanding Graduate Award, Diploma Program

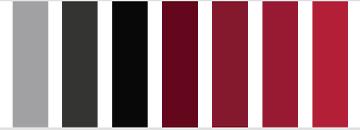

Sakshi Khatri, *Diploma of Technology in Environmental Protection, Co-operative Education Option*

Although, by her own admission, shy and introverted, Sakshi Khatri believes in serving her community through environmental action. For the past two years she has been a part of the Environmental Protection Technology Program, a program she chose for its personalized approach and its broad career applicability post-graduation.

An avid reader, dancer, and painter, Sakshi is a well-rounded student who has dedicated her time with the program to absorbing all that the subject matter has to offer. Described by her friends as hard working and determined, Sakshi was awarded the BC Hydro Scholarship in both 2014 and 2015 and intends on continuing her studies after graduation.

This award serves as a reminder and an affirmation for her that she is on the right path, and a fitting farewell as she continues to learn and grow in the years to come.

Presented annually, the President's Outstanding Graduate Award encourages KPU students to excel in their chosen fields of study and to participate in university, student and community activities to the benefit of others. Recipients have completed all their study in one program at KPU; have consistently shown outstanding ability in the field; have contributed in a significant way to KPU or community affairs; and may be recommended by faculty.

About the Dean's Medal

The Dean's Medal is awarded to the KPU student normally achieving the highest GPA in a faculty. The Dean's Medal recipient has demonstrated academic excellence, and has contributed in some way to community service, support of other students and the learning environment, or has made significant contributions to their field of study. The Dean's Medal is awarded at each Convocation ceremony in the following faculties:

- Faculty of Academic and Career Advancement
- Faculty of Arts
- Faculty of Business
- Chip and Shannon Wilson School of Design
- Faculty of Health
- Faculty of Science and Horticulture
- Faculty of Trades and Technology

Dean's Medal Recipients

Faculty of Academic and Career Advancement

Emad Alrefai, *Diploma in English Language Proficiency*

Faculty of Arts

Eric Mah, *Bachelor of Arts, Major in Psychology (Honours)*

Faculty of Business

David Hunt, *Bachelor of Business Administration in Marketing Management*

Chip and Shannon Wilson School of Design

Laura Hutchison, *Bachelor of Design, Fashion and Technology*

Chip and Shannon Wilson School of Design

Jaymes Williams, *Bachelor of Design, Product Design*

Faculty of Health

Julie Ann Roman, *Certificate in Graduate Nurse, Internationally Educated Re-entry*

Faculty of Science and Horticulture

Allan Tillberg, *Bachelor of Applied Science in Sustainable Agriculture*

Faculty of Trades and Technology

William Carmichael, *Certificate in Welding Foundation*

MESSAGE FROM

The KPU Alumni Association

Congratulations to the graduating class of 2016!

We are delighted to welcome you as our newest members of the KPU Alumni Association. As you look ahead to the next stage of your life, you may feel that KPU will now be a part of your past. Nothing could be further from the truth. The Alumni Association is your ongoing connection to KPU. The KPUAA is dedicated to you – our alumni – and to the university that is now your alma mater.

Representing over 48,000 highly skilled and diversely educated alumni members we are dedicated to making a difference in our local and global community.

Our primary goal is to provide our alumni with valuable programs and services that support your continued success, both personally and professionally. We encourage you to become active members of the association by investing your time, talent and treasure to help future alumni succeed in their journey and by becoming ambassadors for KPU in your community and workplace.

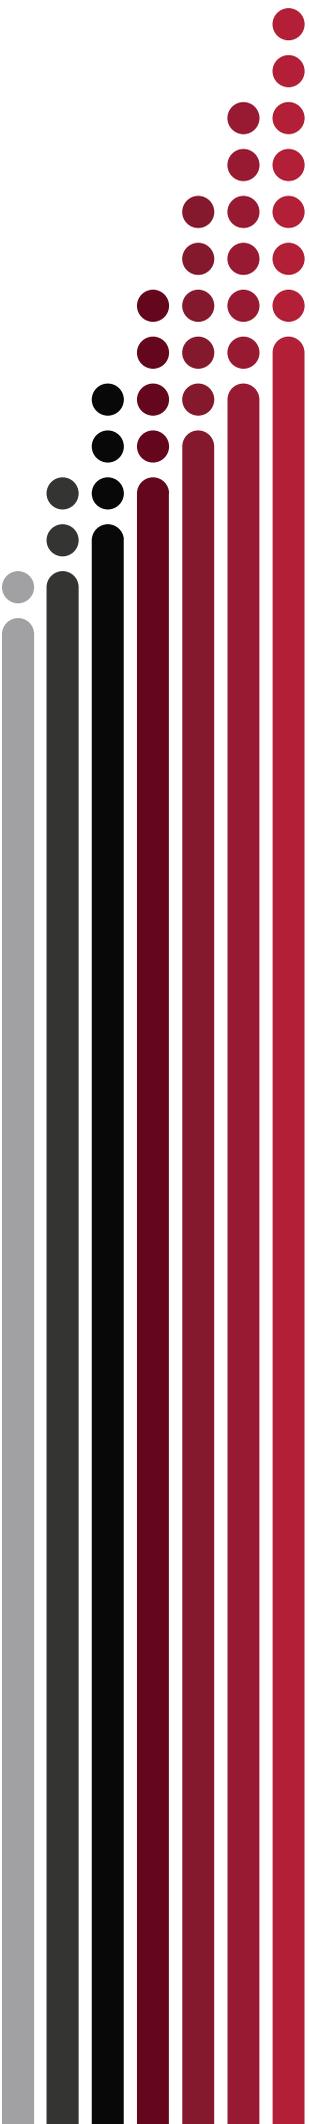

Please visit our website at kpu.ca/alumni to learn more about our association and the benefits you now possess as a member. You are invited to sign up for our monthly newsletter to stay informed and you can find us on most social media platforms.

Congratulations on successfully completing your journey from student to alum. We look forward to connecting, staying in touch and furthering our relationship with you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lindsay Civitarese'.

Lindsay Civitarese,
Chair, KPUAA Board of Directors

Convocation Traditions

KPU

2023

Heraldry

The Arms of Kwantlen Polytechnic University were presented at a ceremony on May 4, 1999 by the Right Honourable Romeo LeBlanc, Governor General of Canada.

The centre shield features "The Spirit of KPU" emblem comprising a wolf, a salmon, and a river azure as styled by Brandon Gabriel.

At the top of the blue shield, on the left side a lion and on the right a tiger facing each other in the rampant position (upright on one hind leg with forelegs outstretched as if attacking). And at the bottom of the blue shield, on the left a jaguar and on the right a Chinese dragon also facing each other in the rampant position. All are gold.

At the top in the centre, there is an open book with silver or white pages, bindings in gold and on top of it, a gold horizontal (in fess) rectangle (billet) with square bites taken out of the long sides (bretessed). In modern heraldry, this item is meant to represent a computer chip.

The crest appears above the shield, and is supported by a silver and blue twisted fabric wreath. The upper rim is set with a simple silver crown, the upper edge decorated with four salmon, looking at each other in pairs.

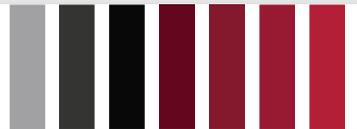

Supporting the arms is a green grassy mound, scattered with gold Douglas Fir cones. The mound is rising from wavy horizontal bands of blue and silver. This is the traditional heraldic representation of water - either river or ocean.

On the left is a gold female deer with blue hooves, and her bottom half is a silver fishtail with gold fins. Around her neck is a wreath of twisted silver and blue cloth. Hanging from the wreath is a green disk with an open book on it—the pages are silver; the cover is gold.

On the right is a gold eagle with a silver head, with blue talons and beak. Around his neck is a wreath like the doe's and hanging from it is a green disk with the heraldic representation of a gold computer chip.

The motto reads: Through Tireless Effort, Knowledge and Understanding.

University Mace

The mace was originally a weapon during the medieval period, and came to be associated with the prowess and strength of the knight. Today the mace is a symbol of the University's authority to award degrees and diplomas. It indicates the seriousness of convocation as the University's most important academic ceremony, and is a confirmation of the University's integrity as an academic institution. The mace is carried by a mace-bearer, who leads the processional of faculty and students in to and out of the venue where convocation is held. The mace is usually between 120 cm and 180 cm in length and will incorporate the history and tradition that surround the vision for the University.

An academic mace symbolizes the authority vested in the chancellor to confer University credentials. This is why the mace is an integral part of convocation.

Maces are often commissioned to commemorate a milestone anniversary or presidential inauguration. Typically an artist is selected for the honour to develop a highly symbolic design that incorporates the University's traditions.

KPU's mace was carved by Kwantlen First Nation artist Drew Atkins.

Not until they slip into their regalia, do many graduands realize the significance of their convocation ceremony. For family and friends, the first glimpse of the graduand in cap and gown heralds a milestone in the life of their loved one.

Standard for Academic Dress

At KPU, all graduates wear a black gown of Oxford shape and a black cap with a black tassel. Graduates of our bachelor's degree programs wear hoods in the Aberdeen style, made of black pilgrim cloth and bordered with a one half inch border. The border of each hood is a specific colour that identifies a particular area of study.

Degree: KPU Hood Standard and Hood Colour

Faculty of Arts

- Bachelor of Applied Arts in Psychology: Black hood with winter white border
- Bachelor of Science in Applied Psychology: Black hood with winter white border
- Bachelor of Arts in Community Criminal Justice: Black hood with winter white border
- Bachelor of Arts: Black hood with winter white border
- Bachelor of Fine Arts, Visual Arts: Black hood with sugar beet border
- Bachelor of Arts (Philosophy): Black hood with admiralty blue border
- Bachelor of Journalism: Black Hood with harvard crimson border
- Bachelor of Music in Musical Arts: Black hood with pink border

Faculty of Business

- Bachelor of Business Administration in Accounting: Black hood with beige border
- Bachelor of Business Administration in Entrepreneurial Leadership: Black hood with beige border
- Bachelor of Business Administration in Human Resources Management: Black hood with beige border
- Bachelor of Business Administration in Marketing Management: Black hood with beige border
- Bachelor of Technology in Information Technology: Black hood with aztec gold border

Chip and Shannon Wilson School of Design

- Bachelor of Design, Fashion and Technology: Black hood with bilberry border
- Bachelor of Design, Graphic Design for Marketing: Black hood with bilberry border
- Bachelor of Design, Product Design: Black hood with bilberry border
- Bachelor of Interior Design: Black hood with bilberry border

Faculty of Health

- Bachelor of Psychiatric Nursing: Black hood with regal gold border
- Bachelor of Science in Nursing: Black hood with regal gold border

Faculty of Science and Horticulture

- Bachelor of Applied Science in Sustainable Agriculture: Black hood with california burgundy border
- Bachelor of Horticulture Science in Plant Health: Black hood with california burgundy border
- Bachelor of Horticulture Science in Urban Ecosystems: Black hood with california burgundy border

Non-Degree: KPU Stole Standard and Stole Colour

- Faculty of Academic and Career Advancement: Emerald satin stole
- Faculty of Arts: White satin stole
- Faculty of Business: Drab satin stole
- Chip and Shannon Wilson School of Design: Light purple satin stole
- Faculty of Health: Brite gold satin stole
- Faculty of Science and Horticulture: Orange satin stole
- Faculty of Trades and Technology: Gray satin stole

Honorary Degree Recipients

All honorary degree recipients wear an eight-sided tam of navy blue velvet with silver bullion cord tassels. The gown is of Oxford shape using maroon pilgrim cloth for the body and sleeves, with three navy blue velvet chevrons and silver velvet panels. Hoods for honorary graduates are of intercollegiate style, maroon in colour to match the gowns, with a sugarbeet satin lining, a silver satin chevron and trim, and grey piping.

KPU Honorary Doctorates

2015

Linda May Bickerton-Ross, *Doctor of Letters*
Peter Maxwell Ewart, *Doctor of Letters*
Keith Alexander Lamont, *Doctor of Letters*
Marilyn Henrietta Lamont, *Doctor of Letters*

Acknowledgements

Kwantlen Polytechnic University would like to thank the many donors who, through their generosity and support of scholarships, awards, libraries and programs, have enabled deserving and dedicated students to complete their post-secondary education.

We would also like to thank our many dedicated faculty and staff who support our students in so many ways. This commitment to excellence by our faculty and staff ensures that our students have the necessary resources available to them to succeed.

We also thank our soloists Julia Johnstone and Sarah Quinn from the KPU music program, and Tilden Webb on the piano, for leading the installation and convocation ceremonies in the singing of O Canada.

We would like to take this opportunity to extend a very special thank you to all those who give to our students - including their families - in so many ways. They would not be able to do it without your care, support and encouragement.

CONGRATULATIONS TO OUR GRADUATES
